

Information for Release

Connico Derek L. Brown, LEED AP earns certification as Certified Cost Consultant.

Mount Juliet, TN - Connico Incorporated is pleased to announce that **Derek L. Brown** has received his certification as a Certified Cost Consultant from the Association for the Advancement of Cost Engineering. **Mr. Brown** has been an estimator in the construction industry for 11 years and has been a member of the Connico team for 2 years. Throughout the years, he has gained in depth knowledge of the industry by being integrally involved with project owners, designers, contractors, and consultants. His experience includes a wide variety of building

types, including healthcare, institutional, and commercial.

Mr. Brown graduated from East Tennessee State University, Johnson City in 1998 with a Bachelor of Science in Construction Technology (Cum Laude). He is a LEED Accredited Professional and proficient in the use of Success, Excel, Primavera, MII, and Timberline Precision Estimating and Project Management to maintain budget, cost and scheduling control, and resource allocation from concept to completion.

Connico Incorporated, headquartered in Mount Juliet, Tennessee, is a construction consulting firm specializing in cost estimating/management, project scheduling, construction administration/management, DBE plans and design support services. Connico provides its clients with the benefit of exceptional consulting services with a consistent focus on delivering quality projects from initial planning through completion.

Mr. Brown can be reached at the Connico Incorporated headquarters at 615/758-7474 or via email at dbrown@connico.com.
